I love the Chaotix (well, two of them anyway). I wanted to bring them into the comic in some way and I thought this recap would be the best way.

Espio-No!

SORRY VECTOR.
EARLY YESTERDAY, IT WAS
DISCOVERED THAT A CLONE OF SHADOW
THE HEGDEHOG HAD ESCAPED EGGMAN'S
SECRET BASE THANKS TO AN ACCIDENT
MADE BY BOKKUN.

HE HAD ACCIDENTALLY
RAMPAGED THROUGH
STATION SQUARE UNTIL
AMY ROSE CAUGHT UP
WITH HIM. AFTER A LITTLE
TALK, SHE MADE HIM HER
NEW BF "DUMPING" SONIC.

AFTER THEY GOT HIM HOME,
THEY SOON DISCOVERED HE
WASN'T LIKE THE DARK, GRIM
SHADOW AT ALL. HE WAS A BIT
MORE OF A SISSY. HE LIKED
FROLICKING WITH CREAM, WAS
SCARED OF SPIDERS AND EVEN
WORE CREAM'S MOTHERS
DRESS! THEY RE-NAMED HIM
"SHADES".

WHILE ALL THIS WAS HAPPENING, A
GIANT, MEXICAN FRUIT SPIDER HAS
KIDNAPPED MR. TANAKA...

...AND TAILS AND CHUCK ARE WORKING
ON TURNING THE X-TORNADO INTO A
ROBOT.

SONIC THEN SENT G.U.N. ALONG WITH
KNUCKLES TO INVESTIGATE. HOWEVER,
EGGMAN WAS READY WITH A TRAP!
DURING THE BATTLE KNUCKLES WAS
"GASP!" STABBED THROUGH THE CHEST
WITH A CHAOS SPEAR!

OH NO!! IS MY OL' BUDDY KNUCKLES
OKAY?! QUICK! CLICK THE "NEXT" ARROW
SO I CAN FIND OUT!

YOU HAVE TO WAIT
UNTIL NEXT WEEK!

Issue 3 page 3

While I had the joke in mind 3 years ago, this page finally came up right when we found out what happened in part two of Knuckles storyline where all of the Echidnas went by-bye (mainly due to Penders being close to winning his case with Archie). Couldn't have timed it better.

Issue 3 Page 5

WE'RE BACK!!

When this art came back without the words, it just looked SO wrong. XD Colorist Big Al Son had to put it under mature on his Deviantart site. I swear, I didn't mean for it to come across that bad. It was supposed to be more subtle.

Basically, Knuckles is the last of his kind having to sit very close to a girl near his age (physically. I'd imagine he'd have a hard time controlling himself.

If you noticed, I also threw in a little jab at the "Green Knuckles" storyline that went through some of the older issues.

I'll have a new page next week. Hoping to have new pages every week, but you know how that tends to go.

9/21/13

Issue 3 Page 6

In this page Knuckles and Tikal discuss with each other the loneliness that comes with being a guardian. What? Sometimes we have to have a little drama to move the story okay? Next week will be funny*. Promise.

#= "funny" being a relative term depending on one's taste.

Issue 3 Page 7

Jeez. I forgot how "Shippy" I originally made the script. If I had the chance, I'd like to have gone back and fixed it to have a lot less focus on those kinds of things. Especially since everything has to go back to the "status quo" at the end of the story. I basically wrote this in because I wanted Knuckles to have some happiness in his life even when he is alone and guarding the Master Emerald. Still, between Tikal, Rouge and even someone else who'll get a slight mention, it shows that you can write Knux having a GF without it being a Penders character.

Well, wish me luck. We've been coasting on pages that have basically been ready for a long time so Jet has to get on it and draw page 8 for next week. This time, I DID re-write some panels and I think you'll find it hilarious.

Issue 3 Page 8

This is easily the funniest page so far this issue. It was originally going to be a completely different joke, but I made a big rewrite after being "Inspired" by some promo art I've recently seen. (Obviously, also inspired by a recent Off-Panel Dubs did.) Jet did a fantastic job. He really didn't want to do the shading at first, but I convinced him it was essential to the joke.

Now to make my new avatar!

Well that took a little while didn't it?

Knux/Rouge fans rejoice!....For a little while anyway. Also yes, I found a way to write another Sonic character into the Sonic X cannon. Just wait till we get to his musical number. ;-)
